

## Understanding Ohio Senate Bill 1 & Its Effect on Higher Education

Ohio Senate Bill 1 (SB1), also known as the *Advance Ohio Higher Education Act*, is a 2025 law that restructures public higher education by limiting DEI offices and training, prohibiting faculty strikes, restricting certain international partnerships, and requiring “intellectual diversity” in curricula.

This forum will bring together educators, students, and community leaders for a thoughtful discussion on education policy and its real-world impact on higher education in Ohio. **Featured speakers** include Dr. Hasan Kwame Jeffries (The Ohio State University), Rachel Coyle, co-founder of *How Things Work at the Statehouse*, and student speaker Hana El Nemr. The program will conclude with an audience Q&A.
